

entertained

your ancient gathering poet
is again your newest one
why would we kid ourselves
about knowing how this goes

wrenching words from basic tools
through countless seasons
under conflagrating chaos

their
loudest impulses
unstoppably unbounded
gnashing
grinding
cleverly cunning
threatening of course
pridefully and
pitifully buying then killing art
bullying with endless gadgets

not aware
of us observing
unentertained
disgusted

B.D. Post
